Step Back in Time

<u>English</u>

We will be writing an alternative ending to the story 'Dogger', creating a lost dog poster and writing poetry based on the seasons.

<u>Maths</u>

Autumn Year 1

Place Value (within 10)
Addition & Subtraction (within 10)
Geometry – Shape

Autumn Year 2
Place Value
Addition & Subtraction
Geometry – Shape

<u>History</u>

We will learn how to use timelines and sequence artefacts. Talk about childhood memories and compare childhoods now and in the past.

We will also compare the toys we play with now to the toys children played with over 100 years ago.

<u>Geography</u>

The children will learn about the UK and it's four countries and use directional language.

We will use ariel photographs to recognise human and physical features and look at the features on a map.

<u>Science</u>

Everyday Materials – comparing & grouping materials.

Uses of Everyday Materials – comparing the suitability of materials via tests.

<u>Art</u>

Tone & Texture: Drawing Teddies

Sculpture: Clay Teddies

PHSE

- Families & Relationships
- Health & Wellbeing

RE

- How do we show care for others?
- What makes some places significant?

Reading – please read with your children daily ensuring to practise the RWI phonic sounds.

Spellings – please complete weekly spelling words grid and ensure spelling sentences are returned on a Friday.

It is essential that reading and spellings homework is completed each week.

PE

1. Multi-skills & Bench Ball
